Do it yourself!

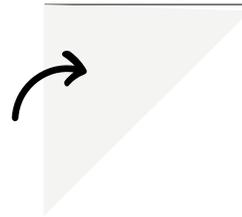

1

Découper le carré gris sur la planche précédente

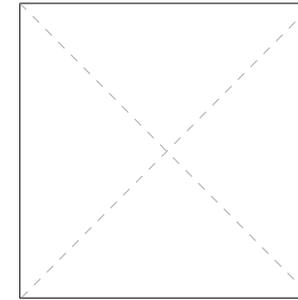

2

Plier en deux le carré en diagonale

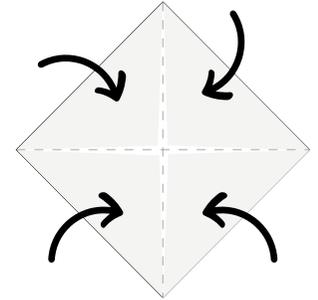

3

Puis une seconde fois

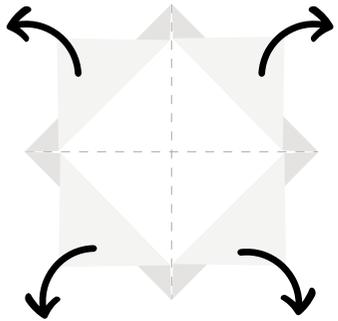

4

Déplier le carré. Les plis ont marqué le centre du carré

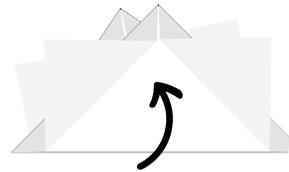

5

Rabattre chaque pointe vers le centre du carré

6

Ramener et plier une partie des pointes vers l'extérieur

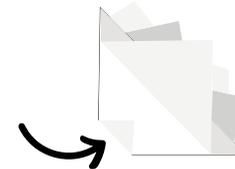

7

Replier en décalé pour que chaque pointe soit visible

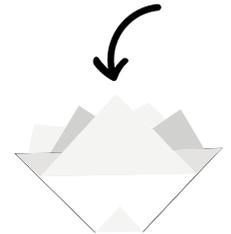

8

Plier à nouveau en deux

9

Plier la pointe du bas.

10

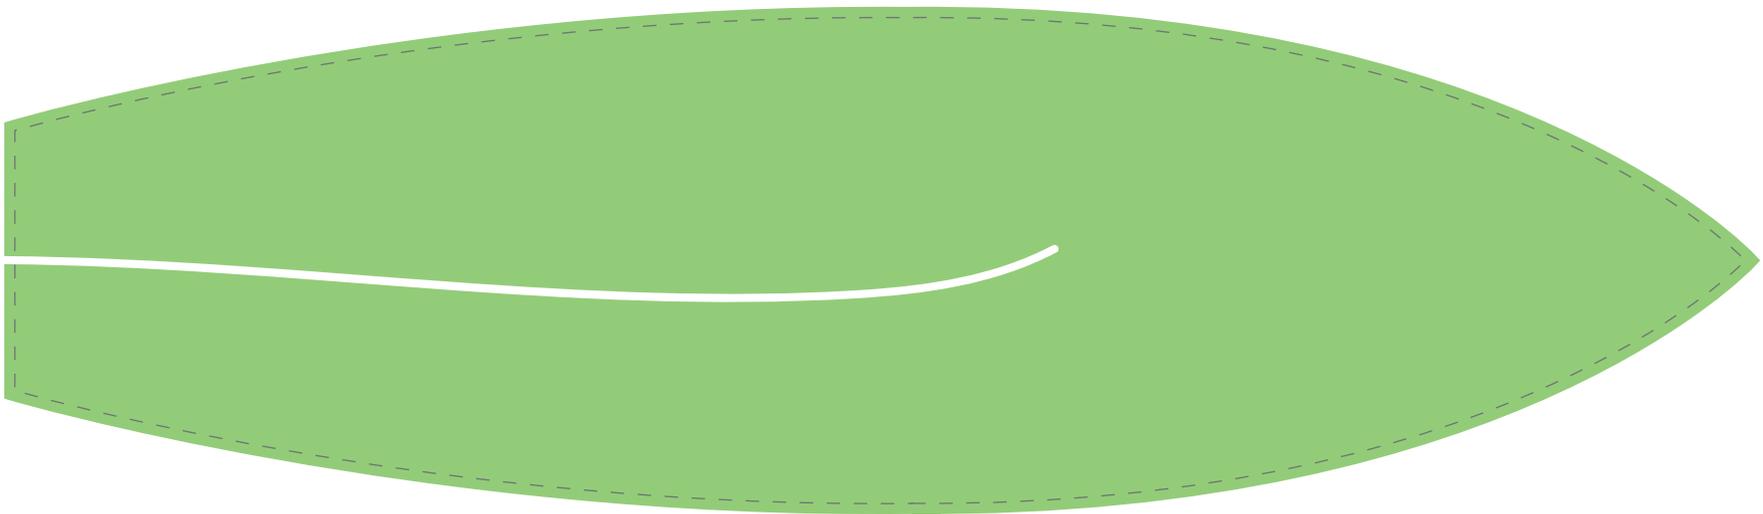

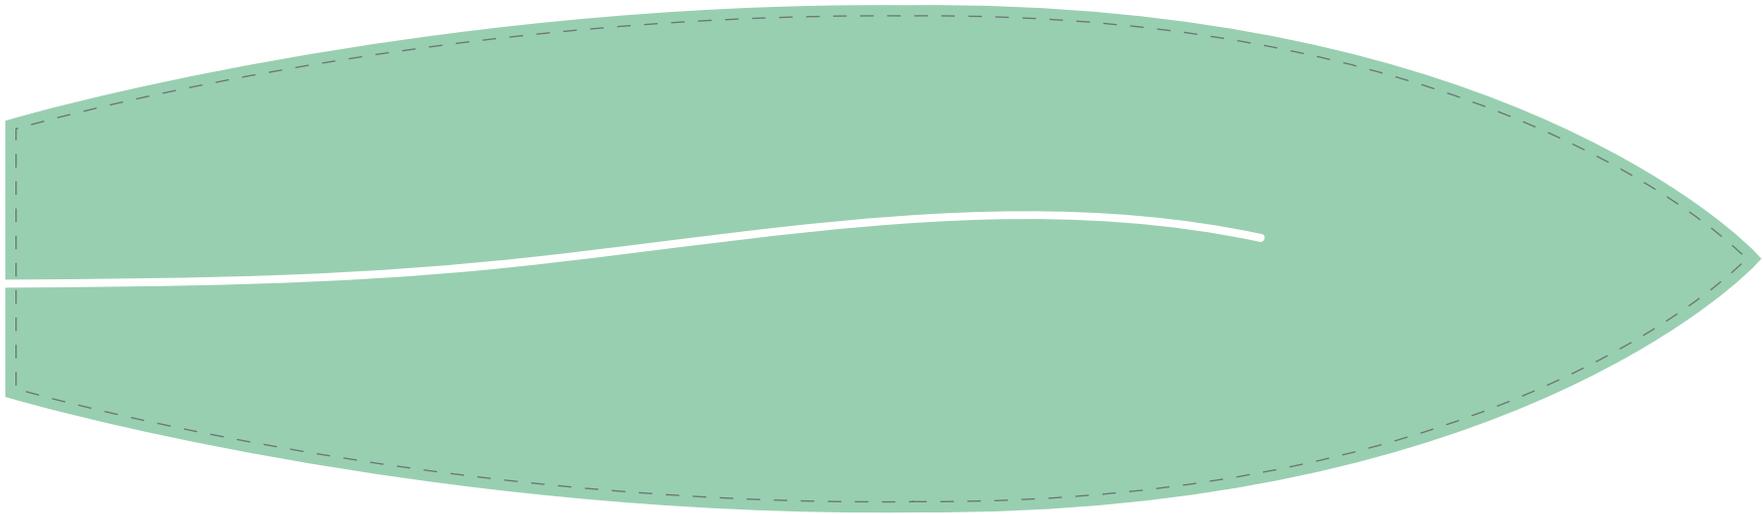

Ouvrir pour donner forme à la clochette du muguet
